

Portobello America

QUART ZITES.

Glazed Porcelain

Mont Blanc is a sustainable proposal that reproduces an already classic white quartzite. The Mont Blanc surface reveals the stone formation in crossed layers, sometimes highlighting fragments of quartz in soft tones, sometimes compact white, and the result is a subtle quartzite, with veins that intersect in white tones and warm shades of gray.

In oceanic shades and delicate design, the surface of Atlantico staggers, maintaining uniqueness and interacting with the light transparency.
