ARCHITECH OAK

Throughout history, the beauty of nature has inspired both art and science. The ARCHITECH OAK collection reflects this dual inspiration. The design draws on a variety of natural wood types, resulting in a unique grain pattern. That grain is brought to life with science – advanced technology that delivers stunning design quality along the grain veins. The result is an attractive, modern wood look that is as inviting to the touch as it is to the eye. For your next project, branch out to the innovative style of ARCHITECH OAK.

Transforming spaces and the way you feel within them.

A lo largo de la historia, la belleza de la naturaleza ha inspirado tanto el arte como la ciencia. La colección Architech Oak refleja esta doble inspiración. El diseño se basa en una variedad de tipos de madera natural, lo que resulta en un patrón de granilla único. Esa granilla cobra vida gracias a la ciencia, una tecnología avanzada que ofrece una impresionante calidad de diseño y micro relieve a lo largo de las venas de la granilla. El resultado es una atractiva apariencia moderna de madera que es tan atractiva al tacto como a la vista. Para su próximo proyecto, explore el estilo innovador de Architech Oak.
